EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kathy Takeguchi on 6/30/04.

The application has been amended as follows:

In claim 1, line 3; after "electrically connected" insert "in".

In claim 1, lines 6-7; delete "and defining the predetermined spacing between the secondary batteries".

In claim 8, line 3; after "electrically connected" insert "in".

The following is an examiner's statement of reasons for allowance: the claims are directed toward a battery pack comprising a case and a plurality of batteries disposed in parallel with a predetermined spacing. The case stores the batteries and has at least one strut extending therefrom in the predetermined spacing between the secondary batteries. The at least one strut is spaced from the secondary batteries.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tracy Dove whose telephone number is 571-272-1285. The examiner can normally be reached on Monday-Thursday (9:00-7:30).
